

Beginning in January 2013, Weston will be celebrating the 300th anniversary of its incorporation as a town.

To mark this special milestone, the Town of Weston Historical Commission has produced the enclosed book, *A Weston Timeline* by Pamela W. Fox, in cooperation with the Weston Historical Society.

A Weston Timeline will be sold at Weston300 events during the tercentennial year and will be available through the Weston Historical Commission website, www.westhistcomm.org at a cost of \$12.00 plus \$5.00 shipping and handling.
