<sup>938</sup> The Harvard, BPL, and MSL versions differ from the Bates and Heritage Museum versions in at least two respects:

(1) They have two labels for the shop on Stony Brook at Kendal Green: “India Rubber Factory” and “Machine Shop,” the latter presumably operated by Luther and Quincy Harrington. (See Lamson, 162; Fox, *FTS*, 23; and in appendix F under “Bingham . . . and the mill behind 39 Crescent.”)

(2) They have two labels at 47 School Street, “J Parradee” and “J Keyes.”  
The latter versions show only (1) “Machine Shop” at Kendal Green and (2) “J Keyes” at 47 School Street.
